A Highly Informative Travel Guide that includes Beautiful Photographs of the Mentioned Sites By Cassandra Foster on February 10, 2015Format: Kindle Edition Verified Purchase Anton's travel guide is exactly what I was looking for as I only plan to spend 3 days visiting and exploring these temples and ruins. I highly recommend Anton's travel guide for anyone looking to spend a restricted amount of time in the area and anyone who wishes to see as much of the beautiful temples and ruins that they can.

About the Author

Adventurer and world traveler, Anton Swanepoel, hales originally from Pretoria, South Africa, but has called a number of exotic locations home. Educated as a software engineer, he worked for a large multinational company before deciding to travel the globe. Along life's journey, Anton became a skilled scuba diver and technical diving instructor, teaching for seven years while living in the Cayman Islands. His resume touts Tri-Mix instructor levels from multiple licensing agencies, and dive records over 400 feet.

Mr. Swanepoel has always loved travel and writing. In the past several years he's combined these passions, authoring and publishing a host of books, sharing secrets he's learned along the way. When he's not exploring an underwater landscape or racing a motorcycle down a stretch of highway, you'll find Anton visiting world destinations and chronicling his experiences.

Today, he is a full-time globetrotter and writer, having penned instructional guides for diving and travel, as well as a pair of fictional novels. His excursion titles are geared toward do-it-yourself travelers, who enjoy saving money and seeing the out-of-way places. His favorite destinations include, Machu Picchu, the mountains of Vietnam, and the Temples at Angkor Wat.

An Informative Guide to Some of Cambodia's Timeless Treasures

Cambodia, a hidden pearl ready to be discovered, lies in Southeast Asia, bordering Thailand, Laos, and Vietnam. To the south, hundreds of miles of coastline greet the never-ending surge and swells of the South China Sea, providing a paradise of surf, sand, and sun for the country's two million visitors. The Kingdom of Cambodia (its official name) is steeped in centuries of religious history, military campaigns, and mystical legend. The country, now 90% Buddhist, is the home to hundreds of architectural wonders, some dating back over 1000 years. The influence of India can be seen in many of these structures, as temples dot the landscape, giving rise to a feeling of awe and devotion.

These magnificent temples are at the heart of this travel guide by globetrotter, Anton Swanepoel. He lives in Cambodia and racked up hundreds of miles, both on and off the beaten paths, in search of adventure. His many hours of on-the-ground experience will benefit the reader in innumerable ways: saving time, money, and stress. The guide features over 30 must-see temples at Angkor Wat, some nestled in dense, jungle locations that would otherwise be difficult to find, while another, the largest religious monument in the world, sits atop a floating island. How cool is that?

The success of any holiday begins at home: researching, agonizing, and ultimately planning. Cambodia may be your trip of a lifetime – it has been for thousands, as backpackers dot the landscape, enjoying the people and the culture. The information contained within these pages is intended for all travelers: novice, experienced, and, of course, do-it-yourselfers. Join Anton on any given day, as he gives you exact locations, including GPS coordinates, easy to follow directions, and even 250 reference photographs.

Some of what you'll learn – the short list:

A Highly Informative Travel Guide that includes Beautiful Photographs of the Mentioned Sites

By Cassandra Foster

I've recently began researching information on the Angkor Wat Temples as I plan to visit the area this coming summer. I ran across Anton's book by accident, but I'm highly grateful for that bit of fate! Anton's travel guide is exactly what I was looking for as I only plan to spend 3 days visiting and exploring these temples and ruins. He perfectly described each location of interest, and his guide was crucial for me as his useful GPS coordinates helped me map out my own personalized tour. With the information he provided and his beautiful photos, I know exactly what sites I want to visit, how to navigate them on my own, and even save money that I would have had to spend on a guide. I highly recommend Anton's travel guide for anyone looking to spend a restricted amount of time in the area and anyone who wishes to see as much of the beautiful temples and ruins that they can.1 of 1 people found the following review helpful.

A Splendid Virtual Visit

By Canadian Reader

I've just spent the past couple of hours visiting dozens of ancient Cambodian temples with the help of Mr. Swanepoel. This is the second of his books that I've purchased and been equally impressed with each. Not having the temperament to be a world traveler has not lessened my interest in historical sites, and so a book like this takes me away to places I will likely never touch, but can experience through the authors lens.

The descriptions are succinct, with enough information to begin planning a trip, but the pictures and explanations were the draw for me. The photos are crisp, well placed and varied. I enjoyed them the first time through but will visit each page again in the near future. I would recommend this eBook for anyone thinking of visiting Cambodia or for those of us who can live vicariously through the adventures of others. I had fun with this book.0 of 0 people found the following review helpful.

could be more

By M Collette

useful in planning a visit but the descriptions are rather brief, some of the photos are not clearly labeled and could really use a larger scale mapSee all 3 customer reviews...
