BLADE'S LADY (SILHOUETTE INTIMATE MOMENTS) BY FIONA BRAND PDF

ONLY IN HER DREAMS...

Her gallant knight was a fantasy—or so Anna Tarrant believed. For years, he had sustained the hunted heiress whenever her nightmarish reality became too much to bear. Now, about to emerge from hiding to claim her fortune, Anna encountered her hero once again—this time, in the flesh...

Though her cries for help invaded his sleep, Blade Lombard was never convinced Anna existed until she stood before him: beguilingly beautiful, chillingly imperiled. Driven by a connection he didn't understand, consumed by a need only she could fill, Blade was determined to protect his woman—at any cost...

Simply Breath Taking!

By shauna

I love this book! I've read it countless times and it never bores me. Blade and Anna have been connected psychically since Anna was 11 and an attempt was made on her life. Several years later, Anna is still in danger when she and Blade finally meet after another attempt on Anna's life. When they meet its kismet and their romance is ignited. Although Anna has been on the run for years, you do not pity her; rather admire her strength and route for her. Blade is the ultimate hero: loving and gentle with a fierceness to protect what he loves. I travel with my job, and I always bring this book with me. The characters are wonderfully written, the plot is great, and there are moments that just enrapture me. There's a scene where Anna figures out that she's in love with Blade. Every time I read it, I love this scene more.

After reading Blade's Lady, I hunted down her other books Cullen's Bride and Heart of Midnight. They were both well worth the hunt. If you love Linda Howard's Mackenzie books or Suzanne Brockmann's Tall Dark & Dangerous books, you'll adore Fiona Brand's books.

Fiona Brand is on my list of must read authors!!!

By mnix

I read Marrying McCabe(my personal favorite) and once I did I had to hunt down the others from this series. Blade and Anna have been connected since she was 11 and he was 17. She's been running from her step-father for the last 10 years since he was trying to kill her to collect her inheritance. Blade has had "flashes" and dreams of Anna but has always thought that they were in his mind. Now he's found her and he's

determined to keep her but first they have to solve the problem of her step-father. Fiona Branda's books remind me of early Linda Howard(Mackenzies especially) They are sensual and fun to read. It's very rare that I find a "new" author that goes right to the top of my favorites list. This book and other from this series are heading right for my keeper shelf and I will be waiting for more by her!!

Excellent Book! An author to watch...

Blade's Lady is one of the best books I've read this year - definitely a keeper. The characters are strong and interesting, and the suspenseful plot keeps the action moving. Anna Tarrant dreamed of a gallant knight for years, never imagining he was real. Blade Lombard heard her desperate cries in his dreams for years, never quite believing they were real. The coming together of these two characters was exciting and realistic. There is a brief appearance by Blade's brother Gray and his wife Samantha, (from Heart of Midnight) and Cullen and Rachel (from Cullen's Bride). If you like Linda Howard's novels, you will LOVE Fiona Brand! I can't think of enough wonderful things to say about her writing!
