Breaking Generational Curses

By Teresa Riggle

This book is for those who find themselves up against forces that seem insurmountable. Mrs. Hickey explains, if you find yourself repeating the same sins in life that you saw your parents, grandparents or other family members committing such as alcoholism, immorality, adultery, debt, illness, etc., they are all curses that can be handed down from generation to generation. Or if you were adopted you may be continuing the same patterns of self-destruction that your natural parents possessed. This book tells you how to biblically and prayerfully change your future from here on. It gave me comfort to know I can change my future and the future for my daughters and their children for generations to come. It's easy to read and understand with many biblical references. Thanks to Marilyn Hickey for helping me change my family's future!! =)

Curses are real

By Amazon Customer

This is a must read for people of all ages. So many people wonder why things happen in their life and why they go through some of the things they go through. It's because of a generational curse that's been inherited. Someone must stand up to the devil and say enough is enough! The buck stops here. We must choose to pass down God's blessings instead of the devil's curses.

Knowledge Sets You Free

By The Cottage

This book should be basic reading for every Christian who has received Jesus (Jeshua) as their Saviour. The Lord (Adonai) says, "My people are dying for lack of knowledge" and this will help cure that problem. Just read and receive your freedom from the Lord!
