DEAR DUMB DIARY YEAR TWO #5: YOU CAN BET ON THAT BY JIM BENTON PDF

The hilarious and bestselling series from Jim Benton continues!

Jamie, Isabella, and Angeline have known each other for a long time. They've even become friends -- whether Jamie likes it or not. But when the trio starts a friendly competition, all bets are off. The loser will be treated to a game of Dare or Worse Dare... with Isabella. (And Jamie's pretty sure that's like having a banana-peeling contest with a starving monkey. The monkey always wins.)

What could go wrong? Probably everything. And it's probably all that blondwad Angeline's fault. Probably.

Jamie still has no idea that anyone is reading her diary, so please, please, please don't tell her. And definitely don't tell her that she's the star of her very own Dear Dumb Diary movie, available on DVD. (Her glamorous ego might not be able to handle it.)

EXCERPT:

Dear Dumb Diary,

Isabella and I had one of those days where you spend four hours trying to come up with something to do, and then by the time you do, there's no time to do it so you just watch TV in positions that make it look like maybe you were born without bones.

We do this about twelve times a month.

"Since we're not doing anything, we should practice debate," I said.

"No, we shouldn't," Isabella said.

"We just did," I said.

funny book

By YZ

DEAR DUMB DIARY is the type of book that makes not only kids but also adults laugh. In this one, Jim Benton didn't falter his humorous story lines again. Jamie Kelly compares her mother's homemade clothes to monkey vomit, which is easy to see why if you have the cover in color. Also, Jamie shares more of her personal experiences with us when she tells the story of the HE WHO MUST NOT BE NAMED OR ELSE I WILL SPOIL THE BOOK clown. Furthermore, Jamie and Angeline debate and it turns into Isabella Paradise when Isabella managed to trick them (or rather Angeline) into doing a bet with Isabella's customized game Dare or Worse Dare...

Anyways, this book is great in general!!!!!!

laughable

By Jake Bilotti

I liked this book very much but it is hard to understand it if you haven't read the books before it. Each character plays its part and the book is really funny from the first pages...

Sunday used to be the day I reserved for doing the homework I should have done Friday night or Saturday morning or Saturday afternoon or Saturday night, but these days I spend a lot of Sunday hiding from my mom, who has decided that she wants to make me clothes. Let's just pause and take a deep breath and contemplate the staggering impact of what I just said. Back when she was a little girl, making your own clothing was probably a great idea. Her mom and the lady who harvested coal or whatever would take a covered wagon over to where they were planning on signing the Declaration of Independence one day, and they would make their daughters clothes. But not anymore, Mom. Not anymore

Good book

By I like it

You should defiantly read this book.

It's funny in some parts but some parts were a little bit confusing. She'd talk about something then get caught with another thing. But this book is really good.I recommend everyone who is reading this to read it.
