DIRT BY TEFFANIE THOMPSON PDF

Washington would rather be playing basketball in the tournament instead of traveling to East Texas for a family reunion. He hates to read, but takes off on his own with a book to satisfy his parents. Washington travels back to the past where he encounters his ancestor Square and witnesses the brutal punishment of a slave when he is caught reading.

When he steps out of the circle of dirt, Washington fears he may never be able to return to the present or see his family again.

... know a young person who hasn't quite fallen in love with reading and books yet

By Amazon Customer

Do you know a young person who hasn't quite fallen in love with reading and books yet? Or do you know a person who already loves to read? Then get this book for them, and also one for yourself.

I have had a fear that my children might not develop a love for reading, which I value highly, and it gives me comfort knowing this book exists. 'Dirt' puts a special perspective on the undeniable importance of reading, and the truly magical journey that a book can take you on.

Washington Was ME As A Kid All Over Again!

By Amazon Customer

This book was so detailed and fluid that I felt as though I was right there with Washington the whole way! Both an entertaining and educational read.

3 of 3 people found the following review helpful.

Dirt is a page turner; could not wait to ...

By Dirt Teffanie Thompson

Dirt is a page turner; could not wait to see what was going to happen next. There are many value classification lessons wrapped in this book. The main character, Washington, has qualities of many typical young boys who think sports alone will open doors to a successful life, while dismissing the importance of education. With a taste of genealogy intertwined with modern day facts, Dirt is a smasher! The discussion questions at the end of the book are ideal for engaging young readers at home, in book clubs, or in the classroom.
