Great resource!

By Cynthia B

Elementary Statistics Picturing the world helped me with my statistics homework. I purchased the technology manual with the book and it was a smart choice! Thank you for your prompt delivery also!

0 of 0 people found the following review helpful.

The book arrived and was packaged well. The reason ...

By toddo

The book arrived and was packaged well. The reason for only four stars is that the book while looking new, has the cover tearing away from the pages on both ends of the book and will need work to reattach it to the binding.

0 of 0 people found the following review helpful.

Statistics 27

By Matthew A. Proctor

Fine examples of instructional statistics for many applications, both practical and instrumental. The solutions were visibly clearly descriptive, following the right answers to every problem.
