Excelent book

By Santiago Saffon

Hellow,

This is a great book, explains everything you need to know from the beginig to the end. How to manage the horse, wat type of drugs should be used.

Besides, has great pictures and explains every one of them perfect.

I recomend this book to every veterinary or horse owner who wish to learn about joint injections and regional anesthesia in horses.

Was told it's Awsome!

By robert

Bought it for my girlfriend as a graduation gift from Ohio State Vet School. She loves it, says it's like the bible for horse joints. Her freinds from school were jealous because they couldn't find the book forsale!
