FORGIVENESS THERAPY MANUAL, LEARN HYPNOTHERAPY THAT YOU CAN USE WITH YOUR CLIENTS BY WENDI FRIESEN PDF

This is a manual that teaches you a powerful process of Forgiveness with Hypnotherapy. This is for therapists and counselors. This four session method will help your client learn compassion, understanding and release blame. The book shows you what to do in each session with your client, how to explain hypnotherapy and how to give them the understanding they need to forgive someone who hurt them.

You will create a special sacred place during the hypnotherapy session. In this sacred place they will find wisdom and answers. You will lead them into a place and time in their past where they were hurt or traumatized. This might be in their childhood or even something recent in their life. The script will lead them through the process of rescuing the inner child, creating safety and letting go of the destructive emotions in the memory.

This is a very valuable manual that will work for any forgiveness session needed, including childhood abuse, trauma, parents, divorce or anything that has resulted in a client hanging on to anger and blame.

You will also get the Secret Links to download several of Wendi's hypnosis sessions for only \$2!

Easy to use process

By jlkcht

Wendi's four session process is a great, easy to understand method of doing inner child work with your clients. Recommended highly for new hypnotherapists.
