Cosgrove This is not only how quick you check out a publication and also not just has the amount of you completed guides; it is about just what you have obtained from the books.

From the Back Cover

“We must rid ourselves of the notion that faith and learning are somehow opposites or enemies. Faith and learning are interwoven with each other for the full functioning of the human mind.”

Foundations of Christian Thought is a clear, even-handed presentation of the interconnection between faith and learning, and the modern worldviews competing for our attention, including naturalism, secular humanism, atheistic existentialism, pantheism, and the New Age movement. Guided by the author’s fresh approach, readers on the college campus, in the workforce, and elsewhere will learn to relate their faith to their own intellectual journey and the ideas they encounter along the way.

“Mark Cosgrove has accomplished the difficult task of making the issues of worldview and faith integration with academic disciplines accessible to the non-expert. . . . Highly useful as an introduction to these issues.”

—Harry Lee Poe
Charles Colson Professor of Faith and Culture,
Union University

“Mark Cosgrove refuses to dodge the hard questions and presents the Christian worldview with honesty and humility. I strongly recommend Foundations of Christian Thought as well tested and effective.”

—Jay Kesler
President Emeritus,
Taylor University

“As a consummate teacher, using more leisurely language and current examples, Mark Cosgrove leads the

reader—as if in a classroom—to ask the questions that compel a carefully reasoned response.”

—D. Bruce Lockerbie

Chairman, PAIDEIA, Inc., Stony Brook, NY
Author, *Thinking and Acting Like a Christian*

“Foundations of Christian Thought offers a completely new and fresh approach to exploring and engaging the inescapable commingling of faith, learning, and worldview. [It] takes the reader on an intellectual expedition.”

—Richard C. Chewning

Emeritus Professor of Christian Ethics,
Baylor University

Mark P. Cosgrove (Ph.D., Purdue University) is a professor and chairman of the psychology department at Taylor University and the author of several books. He has taught the subject of *Foundations of Christian Thought* for more than thirty years.

About the Author

well-presented

By Knighty

This book gives a fair and logical assessment of all the currently prevalent Western worldviews. The ideas are weighty, but the author communicates in direct, easy-to-understand language. A gem!

7 of 10 people found the following review helpful.

Worldview analysis - The best out there

By J. Rawlings

Whether you are a Christian or not, Dr. Mark Cosgrove's book presents a well argued and researched analysis of most religious Worldviews and how each compete with Christianity.

This book is the basis of Dr. Cosgrove's freshman seminar held at Taylor University. As a former student of Dr. Cosgrove, I was very happy to find this book in print, and have referred to Dr. Cosgrove's analysis many times throughout my adult life. For the lucky few who are able to attend Taylor University, Dr. Cosgrove's class has been a mainstay.

The book has many useful tables that help explain the concepts, and Dr. Cosgrove interrupts the text with challenging questions that are expected to be faced in life. A discussion on terms rounds out the details of each chapter.

For Christian readers, this is not a book you will read and set on the shelf permanently, but instead

continually pull out for reference over time. Like the "Armor" described by Paul in the New Testament, this book helps defend the Christian Worldview on an intellectual level.

6 of 8 people found the following review helpful.

tough concepts presented in easy to read format

By Charlotte Huber

I bought this book for a college philosophy class and unlike other college texts, this one will become part of my permanent library. Cosgrove compares and contrasts several worldviews, highlighting their strengths and weaknesses. It is a great read for believers and skeptics alike. At the very least, after reading the book, both will have a better (and respectful) understanding of opposing worldviews.

Honest, concise, and easy to understand.
