You will certainly not regret it. This soft documents e-book Inside The CIA's Secret War In Jamaica By Casey Gane-McCalla can be your buddy regardless.

INSIDE THE CIA'S SECRET WAR IN JAMAICA BY CASEY GANE-MCCALLA PDF

Inside The CIA's Secret War In Jamaica tells the story of the campaign from the United States to destabilize the Michael Manley government in 1976 due to his ties to Fidel Castro. The book covers the rise of violence between the PNP (People's National Party) and the JLP (Jamaica Labor Party), the assassination attempt of Bob Marley, and the rise of the Jamaica Shower Posse and its ties to the CIA. Gane-McCalla also takes an in-depth look into the events leading up to 1976 for both the CIA and the country of Jamaica including Jamaica's history of pirates and slave rebellions, and its road to independence. To understand the nature and history of the CIA, the book gets to the bottom of the John F. Kennedy assassination, Watergate, CIA heroin smuggling in Laos during the Vietnam War, and cocaine trafficking during Iran-Contra, which involved the same players who were involved in destabilizing Jamaica.

Great book, extremely informative

By Amazon Customer

Was extremely informative and very well written. A lot of the material is stuff that I had heard of or read separately and it is great to have such an organized and chronological source to site when referring to CIA entanglements in South America. Overall I loved the book and it was very easy to read and understand! Great job!

Buy this one...

By john parnell

I've been interested in the CIA's hand around the world for quite a while, having seen the book and just skimming over the contents, I was immediately interested... The book covers not only the CIA in Jamaica, but also connects the dots to other goings on during the time period... Extremely informative and very well written, the author obviously has a passion for the subject and bringing truth to the reader. I enjoyed the read immensely and would highly recommend it to anyone with even a slight interest in geo-politics/history/CIA and the history of the US gov.'s actions around the world. Great job!

Very informative

By Adam Crocker

Comprehensive overview of a lot of the Cold War activity to which Jamaica and several other countries suffered collateral damage. I was vaguely aware of the mix of violence and politics in Jamaica over the years, but Casey's detail was illuminating. Enjoyed it.
