Pobre trama y sigue habiendo importantes hoyos en la historia

By Stephanie Guerrero

No me gusto, leí el de juventud en éxtasis 1 y pese a que no comparta las creencias del autor, me gusto la historia, por lo cual decidí comprar la versión de kindle de la continuación. GRAVE ERROR, gaste 4.5usd de okis y sobretodo se me hizo ofensiva la manera en que el autor habla de la homosexualidad como si fuera una enfermedad como el alcoholismo o la drogadicción. Deplorable, sinceramente les comento que guarden su dinero y compren un libro de mejor calidad.

Opportunity, Hope of a New World.

By danielsanchezmendoza

If we want our youth to have an idea of the life that awaits this is the book to give him and force him to read, the rest depends on the parents, to insist and not to surrender to your generation understand that they are opportunity, hope of a new world.

Great for teenagers and preteens

By Stephanie Eglantina Reynoso Pimentel

I consider this book to be a sort of sex ed novel for teens and preteens. It teaches about the dangers of unpredicted sex for non adults and of the importance of making smart choices. I loved the way the author

was able to write it in a way that teenagers would enjoy reading it without even noticing they were being taught a valuable lesson. I read it for the first time during my teenage years, and I absolutely loved it. Learned a lot from it too. So parents, get it for your kids, especially for the ones that are showing interest in romantic relationships and what not.
