The time and effort someone put into forming this study system is fantastic. *I received a discount for my review*

By melissa

I got these to help study for my computer exam. This makes studying so much easier than simply reading the books and trying to remember the material or making my own flashcards or attempting to make a study guide. The time and effort someone put into forming this study system is fantastic.

I received a discount for my review

A lot of the questions are very dated, referring ...

By Jeffrey A. Fullmer

A lot of the questions are very dated, referring to VCRs and programs that were popular in the early 90s. I found a couple of cards that had the wrong answers on the back (from a completely different question).
