Sandra's View "Way tooooooo short"

By Sandra

The book had 296 locations on my kindle. The book was about 2 step brothers and best friends, Dean and Sam. Dean was 22 year old, straight and dominant guy, who loved to sleep around with girls. Sam was an eighteen, year old quiet gay guy, who had always loved Dean. The book contained 2 hot, hot oral sex scenes and an anal sex scene. The end. The book could have been better had, it been longer and the relationship, not been rushed. I liked the Sam character. He was sweet and eager to please. I wasn't too thrilled with the Dean character. He was selfish, and seemed to be using Sam as his own personal play thing. He also seemed to be having sex with a guy as a something, different to do. There are 2 additional books included, Abandon Ship and First time for the college guy.
