THE MAP OF TOLKIEN'S MIDDLE-EARTH BY BRIAN SIBLEY PDF

A beautiful colour version of J.R.R. Tolkien's map of Wilderland, lovingly re-created by premier Tolkien artist John Howe. THE MAP OF THE HOBBIT will take you to all the places Bilbo the Hobbit travelled through on his great adventure. Trace Bilbo's epic journey through the Forest of Mirkwood to the Enchanted River and the Elvenking's Halls; Travel through the Desolation of Smaug to the heart of the Lonely Mountain, wherein lives the huge and evil dragon; Visit Rivendell, home of the Elves, in a hidden valley beyond the Edge of the Wild. THE MAP OF THE HOBBIT comes with an illustrated explanatory booklet by Brian Sibley and is a companion map to THE MAP OF TOLKIEN'S MIDDLE-EARTH and THE MAP OF TOLKIEN'S BELERIAND.

- A must have for Tolkien fans & a great tool for better understanding the Hobbit & LTR

By joy

This is a huge colored map of Middle-Earth from Tolkiens original map. - A must have for Tolkien fans & a great tool for better understanding the Hobbit & LTR ! The map is attached to the booklet which further explains the map locations . A great price & a further bonus I got it on Amazon Prime in 2 days !

A Beautiful Map

By Tuor

This is a review of the map itself, not of the pamphlet that comes with it.

The map is clear, correct, and large enough to make out place-names that are almost illegible if you look at

the maps in the paperback editions of Tolkien's works. The pictures are also excellent, but there is one flaw which has caused me not to give the map five stars: the paintings of Minas Tirith and various Good Guys are on the East side (right side) of the map while the pictures of Barad Dur, the Nazgul, and assorted other Bad Guys are on the West side (left side) of the map. Now, the problem with this is that the West contains the lands of the Good Guys and the East contains the lands of the Bad guys. It seems to me that these pictures should have been flipped so as to more accurately represent the political realities of Middle-earth.

4 of 4 people found the following review helpful.

And it was wonderful! When I finished

By sally

I read the trilogy to please my two sons who are both Tolkien scholars. And it was wonderful ! When I finished, I cried.

I bought two of these maps as gifts for them.

They've been reading Tolkien since they were kids. Me? I'm 79 years old.
