THE NIGHT JOURNEY BY KATHRYN LASKY PDF

Thirteen-year-old Rachel dreads the afternoons she has to spend with her great-grandmother, Nana Sashie- until Sashie begins to reminisce about her childhood in Russia and Rachel finds herself caught up in a whirlwind of memories. As the events and characters of Sashie's past come to life, Rachel discovers a distant country and time, a time when Jews were forced to serve in the Czar's armies or were murdered in pogroms, a time when nine-year-old Sashie devised a wonderful plan to save her family from danger. . . .

Great piece of Historical Fiction

By A Customer

This was a really great book that kept me reading for a few days. It really showed me what it was like for a Jewish girl to live through turn-of-the-century Russia. This was a summer reading book for me at school, but I'm certainly glad I read it! I would recommend this book to any and all who are looking for a great read!

Give it a chance....

By Lovely Reader

I read this book with my 10 year old son for Holocaust Remembrance week although this particular book is not set for the Holocaust I thought this book was a wonderful book to add to our reading during that week because the main idea of the book is about a Jewish family in 1900 that is living a nightmare in Russia under the control of Nicholas the Second a Czar, that either kills Jewish people or makes them serve in the Russian Army to be killed.

The book started extremely slow for both myself and my son. Main character Rachel, doesn't like spending time with her great-grandmother Nana Sashie until her Nana starts telling her the story of her childhood and

how she and her family escaped Russia. Very interesting and heart breaking story.

I usually love author Kathryn Lasky's books in fact her Guardians of Ga'Hoole as well as Daughters of the Sea series are so wonderful pulling you in page after page. The Night Journey pushes you away page after page. I mean it does get better as you go along, we gave the book a fighting chance and finished it. However one word OK 2 words will sum this book up for me SLOW and SLOWER.

As not to include spoilers I want to say of course there are sad moments but I wish that there had been more happy ones when it came to present day Rachel and her life, I wish that her and Nana Sashie would have found even more things to talk about besides just this, maybe about Rachel as well.

My son fell asleep easy to this book so if you are looking for a story to put kids to sleep this is a must. HAHA

I admired the education I received from this book, the writing was awesome, some words needed a dictionary for my son but that was just part of the learning. The Night Journey was not awesome but also not the worst I have read for middle grades.

lazyreaders.com book selection for June 2006

By Danny Brassell

Here's one for the girls. A thirteen-year-old girl dreads the afternoons she must spend with her grandmother until she becomes interested in the tales her grandmother reveals of her past. Give this book a chance, as it does not grab the reader right away. I promise you the story gets better with time...like a strong marriage. [...]
