This work focuses on the instrument of the Soul (the etheric, astral, and mental bodies). With detailed information on their function and accompanying meditation techniques, this course helps integrate the Soul and Its instrument.

“The projected consciousness is the creative aspect of the Soul. Its many successive lives in form finally bring it to an understanding of the Law of Cause and Effect. Once it is no longer identified with the personality, its incarnations become acts of service to the race. By this time it has developed its own nature, its inherent characteristics and its own quality. ”
