A follow-up to "Amo, Amas, Amat..."

By Richard A. Weaver

This is a companion volume / continuation of his popular "Amo, Amas, Amat" book. As in the first book, the author includes hundreds of Latin mottoes, sayings, bon mots, and proverbs. They are ordered alphabetically, each followed by its pronunciation (in an informal but generally useful transcription), and general sense. Most of the entries have an explanatory sentence or two, giving the background, source, and literal translation. A fun book; helpful to the student of Latin, and entertaining and educational to the general reader. Well worth the money!

Before Buying "VENI, VIDI, VICI," Buy "AMO AMAS AMAT & MORE."

By Reader

This is simply follow-up of "AMO AMAS AMAT & MORE." If you are not familiar with Latin phrases, you would be disappointed with this book, since there are many phrases which are not covered in this book, and are covered in "AMO AMAS AMAT & MORE."

I like the Hardcover edition of "AMO AMAS AMAT & MORE" instead of paperback, as the paperback covers are simply easy to be damaged. You can find the hadcover edition of "AMO AMAS AMAT & MORE" @ Amazon Market Place ..... less than \$1!!! for Good Used copies w/ Dustjacket. I paid only 69 cents + shipping for a very good used copy (hardcover w/dustjacket), while I paid \$3.94 + shipping for a used paperback copy of "VENI, VIDI, VICI."
