To obtain this book *Who Thought This Was A Good Idea?: And Other Questions You Should Have Answers To When You Work In The White House By Alyssa Mastromonaco*, you may not be so baffled. This is on the internet book *Who Thought This Was A Good Idea?: And Other Questions You Should Have Answers To When You Work In The White House By Alyssa Mastromonaco* that can be taken its soft file. It is different with the on the internet book *Who Thought This Was A Good Idea?: And Other Questions You Should Have Answers To When You Work In The White House By Alyssa Mastromonaco* where you could buy a book then the seller will send out the published book for you. This is the place where you can get this *Who Thought This Was A Good Idea?: And Other Questions You Should Have Answers To When You Work In The White House By Alyssa Mastromonaco* by online and also after having take care of buying, you could download [Who Thought This Was A Good Idea?: And Other Questions You Should Have Answers To When You Work In The White House By Alyssa Mastromonaco](#) on your own.

# **WHO THOUGHT THIS WAS A GOOD IDEA?: AND OTHER QUESTIONS YOU SHOULD HAVE ANSWERS TO WHEN YOU WORK IN THE WHITE HOUSE BY ALYSSA MASTROMONACO PDF**

Now a New York Times bestseller!

If your funny older sister were the former deputy chief of staff to President Barack Obama, her behind-the-scenes political memoir would look something like this...

Alyssa Mastromonaco worked for Barack Obama for almost a decade, and long before his run for president. From the then-senator's early days in Congress to his years in the Oval Office, she made Hope and Change happen through blood, sweat, tears, and lots of briefing binders.

But for every historic occasion-meeting the queen at Buckingham Palace, bursting in on secret climate talks, or nailing a campaign speech in a hailstorm-there were dozens of less-than-perfect moments when it was up to Alyssa to save the day. Like the time she learned the hard way that there aren't nearly enough bathrooms at the Vatican.

Full of hilarious, never-before-told stories, WHO THOUGHT THIS WAS A GOOD IDEA? is an intimate portrait of a president, a book about how to get stuff done, and the story of how one woman challenged, again and again, what a "White House official" is supposed to look like. Here Alyssa shares the strategies that made her successful in politics and beyond, including the importance of confidence, the value of not being a jerk, and why ultimately everything comes down to hard work (and always carrying a spare tampon).

Told in a smart, original voice and topped off with a couple of really good cat stories, WHO THOUGHT THIS WAS A GOOD IDEA? is a promising debut from a savvy political star.

##### A Fascinating Peek Inside

By S. Lawrence

Ms. Mastromonaco, the Obama White House deputy most likely to regale the staff with “The Jackal,” has written a political memoir – slash – thriller. Will she even survive her absolutely draining stint as PBO’s aide-de-camp? I worried that the last page would just be whatever letters were in the center of her keyboard when her poor forehead came crashing down.

Which is merely to say that Ms. Mastromonaco does an excellent job of telling civilians about the stress and adrenaline levels of working in the White House. (At least back when people were keen to do a good job for the citizens of America.) From getting POTUS and entourage a second plane in case of an Iraqi sandstorm, or making sure the U.S. Secret agents were allowed to bring their weapons into South Africa, Ms. Mastromonaco got the job done.

One might, simply out of feminist reflex, flinch each time the author mentions that she cried. The underlying culprits were usually exhaustion or physical issues. However, when one considers the grim souls currently stalking the west wing, one remembers to appreciate the fact that she has a human, beating heart, and that she had the emotional capacity to actually care.

I suspect privacy rules & regs forced the author to limit the PBO anecdotes. The former president’s playful attempts at matchmaking for Ms. Mastromonaco caught me by surprise; the ultra-rational regimen of salmon and brown rice (even while campaigning) did not. But he seems to have been just like all non-disturbed people saw him to be – an extraordinarily decent, bright, hardworking man. A man who, while carrying the weight of the world on his shoulders, took time to call a grieving Ms. Mastromonaco and offer her words of comfort from Air Force One. Just as, I believe history will confirm, the nation was lucky to have him, Obama was lucky to have Ms. Mastromonaco.

I thoroughly enjoyed her advice and insights on how to get a ...

By Curly Writer

I saw Alyssa's interview on Charlie Rose and immediately was intrigued to read her memoir. Downloaded it on Kindle and once I started it, I was riveted and wanted to keep reading it. Although, older than her target

audience, I thoroughly enjoyed her advice and insights on how to get a job in politics, and how as a woman to advance in a lot of predominately male work environments. I would have liked more anecdotes about her job and the Obama administration. I also found her timeline jumping around a little disconcerting as she targeted the outline of the book around things she learned from life and her job. But overall, I found it an enjoyable read.

Really interesting, easy and fun read!

By Ski0183

Really interesting, easy and fun read! You don't have to be into politics, it also doesn't matter what party you belong to...This book provides some insightful information into the world of women in the Washington arena as well as the Obama administration. I don't have much free time for book reading nor do I actually love reading books. I heard about it from a good friend of mine who was raving about it and gave it a try. I recommend it...worth your time :)
