With this book, I will help you write an interesting family history story. One that will give your reader a true sense of the time and person in your history. I will give you some ideas, tips, and tricks to make your writing a compelling read.

A new and admirable movement in genealogy and family history circles is to write the family's story; not just record the names, dates, and places of ancestors and events.

This book will help you weave that interesting story. You would be surprised how knowing the weather, economic and political climate, working conditions, living conditions, society pressures, and other forces can help expand the story of your ancestors' lives. Today, all that information is easily obtained, you just need to know how to incorporate it.

Not too bad. Has some interesting ideas

By Amazon Customer

Not too bad. Has some interesting ideas, and worth it for that alone. But not stellar.
